

RESOURCE RECOVERY CHANGES FOR FOLKS ON THE TOWN'S CONTRACT

The Town of Telluride and Bruin Waste Management have a new contract. There are some changes of which you, the customer, should be aware.

YARD WASTE COMPOSTING!

Yard waste will be picked up for composting the first Monday of the month May through October. Please, stop by Old Town Hall (135 West Columbia Avenue) and speak with the Finance Department to purchase official compostable bags (\$20 per 60-gallon bag). No other fees apply.

6 PIECES OF CORRUGATED CARDBOARD PER WEEK, NO MORE!

Customers will be charged if there are more than 6 pieces of cardboard placed for pick up. The charge for excess corrugated cardboard is \$14.63 per yard.

ONLY PLASTICS #1 and #2, PLEASE!

Plastics #3 through #7 are no longer accepted for recycling, because they have little to no value. Also, please remember: no plastic bags, no plastic food wraps, no plastic entrée microwave trays. (It may be simplest to simply not buy plastic at all.)

TAKE CARE OF YOUR BINS!

- Replacement polycarts are only available in 32-gallon and 96-gallon sizes. No new 64-gallon polycarts are available for purchase or lease from Bruin. (Those currently in service will continue to be serviced.)
- Customers will be charged for the full replacement cost of leased polycarts that are damaged beyond repair by wildlife.
- Put your address in 1-inch tall white letters onto all of your polycarts **AND** recycle bins.
- Only official recycle containers will be serviced. Call Bruin at 970-864-7531 to “right-size” your official recycling container.

To start new service, change your existing service, order recycle or trash containers for lease or purchase or request a special pick up, contact Bruin Waste Management 970-864-7531

For polycart repairs, upgrades, and address stenciling, contact Telluride's Public Works Department 970-728-8415
