

# YOU'RE INVITED COMMUNITY OPEN HOUSE

Study Area

On Tuesday, July 30, any time between 6 and 8 pm, please stop by the Telluride fire station training room (131 W. Columbia) for a community discussion about planning opportunities and community needs for town-owned parcels in the Southwest Neighborhood (see map on left). Topics will include potential future land use, pedestrian/bicycle/vehicular connectivity, transit patterns and routes, and potential infrastructure improvements.

What are your vision and priorities for the future of town-owned parcels in the Southwest Neighborhood?
